Rob,

what an honor, to be different color pen!

numeros uno
to sign your yearbook!
I don't have all
that much to say...
Computers was great
fun - I'll never forget
"list sdev/hy" - what
a laugh! Will have to
get Price next year! Will
be big Applications people
then! what a job - at
least Kacy & Suzy are
graduating - unfortunately we
got Mike Monisey still!!
new fear - he shall free
the "Left Hand of Death"!!
That's about all I guess -
maybe we can get together
for D&D - I'm matter tho!!
See ya!
Beth

PS - You have
got to be the
computer Genius
of this school!!!
PPS - Don't forget
"Murphy's Law of Programming"
and "the Creed"!!!

Rob,
Thanks for
all the help in
computers - I
wouldn't have passed
without your guidance!
I'll take care and have a
great summer!
Love
Beth

IN MEMORY OF

MR. JOSEPH MALFITANO

To those who knew Mr. Joseph Malfitano, an immediate loss was felt upon news of his death. Mr. Malfitano was a dedicated teacher, a trusted colleague, a loyal friend. He was a man who cared about others. Consequently, many cared deeply about him. Their loss is a profound one.

But, what of those who never knew Mr. Malfitano as a teacher, a colleague, a friend? Have they been spared in this time of grief? If we look beyond the concept of the individual to the broader concept of humanity, we were all touched by Mr. Malfitano, and we are all with reason to grieve. For as the poet John Donne suggested in his "Meditation XVII,"

"Any man's death diminishes me because I am involved in mankind, and therefore never send to know for whom the bell tolls; it tolls for thee."

Thus, if we establish the common bond of loss, so also can we take comfort in the common bond of sharing; so also can we believe that we are all the better for having been involved in mankind with Mr. Joseph Malfitano.

CLASS HISTORY

Our four year journey began in the Fall of 1979, when approximately 255 "lost souls" found their way through the gaping doorway of G.I.H.S. Statistics show that we were the smallest class ever to enter those doors. Maybe that is why we have not conformed to past school traditions. Anyway, we elected president, Pat O'Reilly; vice-president, Maria Santa Lucia; secretary, Anne Drexelius; treasurer, Lisa Eichel; and class historian, Debbie DeGlopper. With the help and guidance of our class advisors Mr. Maggio and Mr. Anker, we became top-notch salesmen (and women!). Selling everything from school windbreakers to spices to coupon books, we began building a class treasury. We got involved in sports, choir, and band until our freshman year drew to a close.

Our sophomore year began under the leadership of president, Pat O'Reilly; vice-president, Maria Santa Lucia; secretary, Anne Drexelius; treasurer, Lisa Eichel; and class historian, Debbie DeGlopper. Instead of the "traditional sophomore magazine sale, we sold mega-amounts of m&m's, snickers, milky ways, (etc.) to any unsuspecting sweet-tooth victim. We participated in our first Homecoming ever as we gathered in Mr. Maggio's room to build our class float designated as "The Sixties". By the end of the night we were sick of painting, making flowers, and "creating" space suits. But all of the hard work paid off because we came in second place. Not bad for sophomores huh?? We used our left over float paint to give the rock a touch of "83". Some of us began rousing class spirit by wearing "83" t-shirts while others played football, tennis, tried out for plays and joined extracurricular clubs.

Junior year dropped on us like a bomb—finally we were considered UPPER-CLASSMEN!! We celebrated this honor on the second day of school by meeting at Fantasy Island at 5:00 A.M. before invading Perkins for our first official Junior Breakfast. It was not long before our guys hit the turf, water (etc.). Varsity jackets were spreading like "THE PLAGUE"! Homecoming got us in the school spirit as we worked on our rendition of Halloween. Busily we molded chicken wire into two life-size pumpkins and get "dressed up" for the occasion. Unfortunately we came in fourth place. Oh well—we got over it quickly 'cause we spent the night dancing up a storm as we celebrated our first upper-classmen privilege.

Soon after the excitement of Homecoming died down, the girls of "83" spent many late nights on the "grid-iron" preparing for the Jr.-Sr. Football Game, which we victoriously won 6-0. What a super accomplishment—we never could have done it without Mr. Jewett—Thanks a lot!! We also helped with the first Charity Christmas Dance ever to be held at G.I. The class of "83" donated all of our class funds and canned goods to the Neighbors Foundation, and fulfilled the duty of refreshments by baking lots of Christmas goodies.

Spring rolled around as president, Jim Rores; vice-president, Kathy Wozniak; secretary, Nancy DeBolt; and class historians, Debbie DeGlopper and Diane Forster began making preparations for the annual junior variety show. We called it "Junior House 83". "Put on your togas and start to shout"—and boy did we ever! Our class finale was the hit of the entire show. It gave our class treasury a big boost too. I think the highlight of 1982 was our Junior Prom "Somewhere Down the Road" featuring Music-Go-Round-Sound. We spent the remainder of the year playing sports, while other juniors shined on stage in "Oklahoma". Twenty-eight juniors were inducted into the National Honor Society.

As our junior year drew to a close, we made a mad dash to sign up for 7:00 A.M. Driver Education so it would not conflict with summer jobs. Oh, did somebody mention summer jobs? Some of us spent the sunny summer months at the

beach until school resumed in the Fall.

Senior Year!! We finally made it to the top rung of the high school ladder of success. What an accomplishment! With the help of anxious president, Jim Rores; vice-presidents, Pat O'Reilly and Maria Santa Lucia; secretary, Theresa Taylor; class historians Debbie DeGlopper and Diane Forster our senior year got underway. We were hit with a lot of busy work during the first few months such as: senior pictures, biographies, cap and gown measurements, and of course the dreaded college applications.

The first big event of the year was Homecoming—"The Wonderful World of Disney". Maria Santa Lucia's garage was a sight for sore eyes by the time we finished building our masterpiece float "Snow White and the Seven Dwarfs" which took first place and dominated the other class floats by a great deal. Later that evening, we crowned Scott Thompson and Sylvia Pollack as Homecoming king and queen along with their court: Lisa Eichel, Rob Buzby; Laura Lewis, Tim Howe; Maria Santa Lucia, and Phil Rowland.

October was a very busy month. We held the first Senior Class Recognition Day on October 22. This was a day set aside to recognize for all of our accomplishments. It included a guest speaker followed by a luncheon at Hardings Restaurant in Lewiston. On October 29, the senior girls celebrated their "victory through loveliness" by destroying the juniors 13-0. This day marked the first time a class ever won the Jr.-Sr. Football game two years in a row. The senior girls surely have something to be proud of!

On December 18, we were chairmen of the second Charity Christmas Dance. Once again, we donated all of the canned goods and proceeds to the Neighbors Foundation on Grand Island. We had a wild time dancing to the tunes of Music-Go-Round-Sound.

New Year's Eve also was a special night to remember. As the big apple dropped in N.Y.C. it brought in not only a super year but a terrific bunch of seniors as well. Frantically, some of us made last minute reservations for the "sunny south". While the rest of the Island were trying to bear with the chilly?? winter weather.

As college acceptances began piling up, we stayed active in baseball, softball, track, while other seniors shined in the spring musical "Hello Dolly".

This year the Senior Prom was held as a Dinner Dance at the Marriott rather than a prom. It was a memorable evening. Class night arrived soon after as we joined our parents in a special evening where we received recognition and honors for our high school achievements and also watched the Senior slide show. A few hours later the Island was rudely awakened as we paraded around in our decorative cars at 6:00 in the morning. Returning to school, we were served Class Day breakfast by our teachers. Gee, I never knew Mr. . . . could cook?? We signed our final yearbooks, received gag awards, and of course our Senior Class Will.

The big day finally arrived when we walked across the stage of the Niagara Falls Convention Center to receive our high school diplomas. Unbelievable as it may seem, we graduated. I will never forget the smiles and tears of laughter and joy like the ones I saw on June 26.

I guess that just about sums up our four year journey. It went by fast, but the friendships and memories we have found at G.I.H.S. can never be replaced. I would like to wish every member of the class of 83 success and happiness on their new journeys throughout life. I would also like to extend a big thank-you to Mr. Maggio and Mr. Anker for making our high school years so special!

together they climb
the mountain of life
waterfalls of laughter
fill their hearts,
streams of hope
flow through their souls,
learning
floods their minds,
raindrops of tears often
fill their eyes, but
showers of courage fall
bringing sunshine after the storm,
waves of time leave
traces of memories
on the shores of their souls,
into the ocean of experience
they grope for answers
this is the Spirit of Youth ...

forever to shine.

KENTON OCCUPATIONAL CENTER

BUILDING TRADES II

Our vocational educational program offers students in grades 11 and 12 opportunities, on a half-day basis, to take courses in auto mechanics, building trades, cosmetology, maintenance, welding, printing, horticulture, machine shop, household appliance repair, dental lab technology, dental assisting, data processing, commercial art, and police science.

The equipment and facilities in the two centers are the finest in the area for training in vocational areas.

Several New York State Licensing Programs are included in the offerings, namely practical nursing, health assistant, and cosmetology.

EXCHANGE STUDENTS

From January 17 to March 7 our school was host to an exchange student from Peru. Her name is Pamela Sanitty and she is 17 years old. She came through the Foundation for International Cooperation or FIC. FIC is a world-wide organization. The office in Buffalo deals with Mexico, El Salvador, Costa Rica, Guatamala, Panama, Ecuador, and Peru.

Pamela was at our school for 2 months during which she went to various classes. She enjoyed her stay very much and wishes to sincerely thank all the people who made her stay special.

I am Birgit Röhler and I am an exchange student staying on Grand Island for the entire school year. I am coming from West Germany through the Rotary Club of Hannover. My home is a small village seventeen miles north-east of the city of Hannover. Even though my family lives very much in the countryside, I am always amazed at how unsettled some areas in the United States are. I have been enjoying my stay very much. The school here has been quite different for me and I will never forget the good times I had on the gymnastics team in the fall season and also the wonderful hours at Kissing Bridge on Friday nights. All of the teachers and students have been very nice to me and made it easy to make an adjustment. Being an exchange student is one of the most wonderful experiences I have ever had. I look forward to having some of my new friends visit me in my homeland.

EXCHANGE TEACHER

Mr. David Cannon from London, England

No sooner had I arrived and settled into the way of life here, than it was time to prepare to leave. My stay was made much easier by the helpfulness and friendliness of everyone: pupils as well as staff. Even the weather could not have been kinder!

The whole exchange was an adventure which I will remember for life, and I was pleased to see it provoke interest in others. I am sure I will be seeing some Grand Island faces in London before long.

VARSITY FOOTBALL

The Football Vikings with a host of Varsity Returnees played their hearts out, only to lose in a "show down" game, to a tough Lew-Port team 14-0. Going into the final game of the season with a 4-1 League record, the Vikings fell to the onslaught of the superior Lancer defense.

Playing their final season for the Big Blue were All-Leaguers: Randy Cool, Jerry Gorrell, and Todd Lee. Backed up by the steady play of seniors: Frank Guidone, Todd Roesch, Eric Ackerman, Kevin Campbell, Jim Rores, Josh Perkins, Jim Beauregard, Steve Hunt, John Burns, and Pat Dworak.

J.V. FOOTBALL

The Junior Varsity football team was characterized in 1982 by a great number of excellent athletes and what proved to be an excellent season.

The high point of the season was in a game against LaSalle where G.I. overcame a 13 point margin in the 4th quarter to win the game 23-13.

The team's outstanding linesman was Scott Perry, the outstanding back was Dean Santorio, and the team's most valuable player was Randy Gleive.

GOLF

The Viking Golf team ended the 1982 dual meet season with a record of 6 wins, and 3 losses.

Outstanding performers for G.I. were juniors Todd Adams and Nick Montanaro. Alternating at the number one and number two positions, Todd and Nick won a total of 50½ points of a possible 54 points and captured medalist honors in every dual match played.

Credit for a fine season also goes to newcomers Scott Adams, Todd Nizalek, Bob Jellenick, and 7th grader Bob D'Angelo.

Todd Adams and Nick Montanaro were also selected to the N.E.L. All-Star Team.

With all starters returning next season, the Vikings Golfers are looking forward to another fine year.

The boys varsity soccer team completed their season with a record of five wins and six loses. The team qualified for sectionals and lost their first game against Clarence 1-0.

Brian Rotterman was the top in the league with a total of 18 goals and four assists. He was selected first team all-star in the NFL. Dan D'Angello, the vikings goalie, did an excellent job in the net. Out of

280, he only allowed 23 points.

The most improved player was Scott Kalman, Most Valuable were David Choi and Dan D'Angelo, and Honorable Mention went to Kevin McGuire and John Hartrick.

This year's soccer team was made up of many new and inexperienced players. Coach Prozik feels that the team should have a great season next year.

The girl's had a slow start, but finished the season winning 4 out of their last 5 games. Michelle Mangin was selected for the NFL's All Star Team, with Becky Metz on the 2nd team and Kim Crawford and Sue Kew making honorable mention. Seniors Lisa Eichel, Karen White, and Michelle Mangin were the teams MVP's with sophomores Kathy White getting the Most Improved Player Award. Coach Geitz will always remember the game at Kenmore East when his team fought back from a 4-0 half-time score to lose a close 4-3 final. The team next year will truly miss the graduating seniors, but look forward to a really competitive soccer season.

BOYS' J.V. SOCCER

The boys J.V. Soccer team had a fairly successful season, recording a record of 5-6, under first year coach Ray Billica. Opening with a disappointing loss to powerhouse Lew-Port. But rebounding with two straight wins helped the team gain confidence in themselves. One win sandwiched between five losses made for a long stretch in mid-season, especially with a loss to Kenmore West after having a goal disallowed. The team rebounded to close out the season with two wins and with overall play getting better, prospects for a better season look good. The top defensive player and co-captain, Mark Bihler, goalkeeper, kept the team in many games. The other co-M.V.P. and top offensive player with 9 goals was Cal Vendermey. The most improved player award was captured by Mike Petix who blossomed halfway through the season. Good over-all play by the rest of the team made for an enjoyable year for all.

GIRLS' GYMNASTICS

ROW 1: K. Jamison. ROW 2: Coach Muffoletto, L. Lewis, C. Bockel, M. Beauregard, S. Kennell. ROW 3: N. Nowakowski, B. Rohler, L. Irvine. ROW 4: D. Klimek, D. Resetarits.

The Grand Island Girls Gymnastics Team had a successful season. They finished in fourth place in Division I competition, and beat the Division II Champions Orchard Park H.S. Six of the girls qualified to compete in the Section VI Championships. They were Sue Kennell, Lanra Lewis, Karen Jamison, Laurie Irvine, Dina Klimek, and Dana Resetarits.

In the Section Six Championship meet Grand Island High school received fourth place in Western New York. Lanra Lewis placed 20th in the all around competition. Dina Klimek placed 12th in all around competition, and Sue Kennell placed 5th all around and qualified to compete on floor exercise in the State Gymnastics meet.

Laurie Irvine and Nacole Nowakowski were selected to be the most improved Freshman gymnasts. Dana Resetarits and Karen Jamison were the most improved Sophomores. The most valuable title this year went to three gymnasts: Laura Lewis and Sue Kennell this year's captains, and Freshman; Dina Klimek.

The 1983 Gymnastics season looks like a bright one with many of the girls returning. Mr. Muffoletto explained he will miss his two senior gymnasts Laura Lewis and Sue Kennell. Sue and Laura were instrumental in helping him develop Grand Island High School's first Gymnastics Team in 1978.

GIRLS' TENNIS

The tennis team completed a successful season by compiling a record of 8-2 to place second in the NFL.

1st team All-Star awards went to: Kathy Wozniak (9-1); and Jodi Schorb, Amy Stoddard (8-2)

2nd team All-Star awards went to: Amy Jircitano (8-2) and Beth Ludwig, Amy Ludwig (10-0)

Honorable Mention: Jennifer Posener (9-1), Jena Chamberlain (5-0)

Kathy Wozniak (singles), Jodi Schorb and Amy Stoddard (doubles) represented the NFL at Sectionals.

Our Junior Varsity Basketball team is made up of about thirteen sophomores who play against other schools in their district. They did not have a record high year, but that gives them more incentive for next year.

The team was led by Tom Whetham, leading scorer for the team with a total of 125 points. He was followed by Chris Bacola with a total of 97 points. Other outstanding players were Smith (71), Cochran (68), and D'Angelo (64).

Coach Masters says that he is anticipating next year's season with the new, upcoming players.

The inexperienced G.I. Vikings suffered through its worst season in 15 years. With only four senior lettermen returning from last years 10-10 squad, the rebuilding Vikings could only manage one victory out of sixteen games.

This year's team was led by junior Todd Adams. Todd was the Vikings high scorer with 172 points, 75 rebounds, and 30 steals. Todd earned a spot on the All-N.F.L. Honorable Mention All-Star Team for his outstanding efforts.

Starting Senior guard, Andy Manchigiah led the Viking Cagers in assists with 40, team leadership, and finished second in scoring with 110 points. Seniors Jerry Gorrell, Scott Baker, and Todd Lee will be missed next year for their outstanding determination, desire, and attitude.

Sophomore Jim Corrao and Chris Bacola started over half this year, giving them valuable playing experience for next year's team. Sophomore Mark Smith and Junior lettermen Mike Laughlin and Dan Lange also experienced valuable playing time, and will return next season for what looks to be a promising year.

This year's highlight was the Viking's victory over Tonawanda, 64-62. Todd Adams led the Vikings with 25 points, making 11 of 14 shots, all from long range.

The Grand Island Lady Vikings finished the 1982-1983 season with an impressive over all record of 11-7, and a league record of 7-7.

Co-captains Becky Metz and Sylvia Pollak led the team to many deserved wins and to hard-fought losses as well. Becky, a junior, broke 9 school records and tied a 10th. Her most noted achievement was her number of total points scored which was 278 points, in comparison to the previously held record in 1982, of 177 points, also held by Becky. Sylvia, a senior, broke two records, one in defensive rebounds and the other in total rebounds. Sylvia also led the Lady Vikes in number of steals.

Sophomore Heidi Vossler, a key starter for the Vikings, also broke the records for total rebounds.

Other starters included senior Linda Kippley and sophomore Bethany Joslyn. Both girls showed determination and drive and helped the team by aiding in key plays to keep the Viking momentum going strong.

Sophomores Janice Hobba and Barb Gesl proved themselves to be key substitutes.

Finishing off the Viking roster were senior Anita Scott, junior Terall Bradberry, and sophomores Sue Hug, Tracy Lloyd, and Kym Reuther.

Because only three ladies will be graduating this year, the team's future looks bright.

The Volleyball team enjoyed it's finest year yet since entering the NFL. The Vikings finished the season with a 7-7 record.

The team was led by senior Co-captains Mary Jankowski and Tina Rose. Mary was one of our best hitters while Tina was our top setter. Kim Mullin and Sylvia Pollak are the other two seniors who will be missed by the Vikings next season. Becky Metz was our Most Valuable Palyer and Heidi Vossler received the award for Most Improved.

With the abilities to out serve, out bump, and out spike their opponents, the J.V. Blue overpowered the league with an impressive 14-0 undefeated season. The team scored 438 points while giving up 220; recorded three shut-outs; had two snicker snacks; heard "burned ya!" 200 times; created gray hairs; used a case of tape; ran into the net and functioned as a unit to be the best!

Diving-School & Pool Mike Wagner 317.5 pts.

The 1982-83 edition of Viking Boys' Swimming was a season of overcoming obstacles. The Vikes compiled an impressive record despite a broken pool, broken equipment, and a constant list of sick and injured swimmers and divers.

Led by senior captains Joe Papalia, Scott Thompson, and Mike Wagner, the team achieved the following things. Grand Island rated #11 in New York State, co-championship of the Niagara Division, a Varsity record of 9 wins — 5 losses, a J.V. record of 11 wins — 3 losses, two school and one pool record, Mike Wagner undefeated and league champion in diving, eleven swimmers and divers listed in the Buffalo Evening News "Top 10" swimmers in W.N.Y., and Mike Wagner was named to the N.E.L. All Star Team.

WIND ENSEMBLE

BAND OFFICERS: Mike Wagner President, Betsy Corah Treasurer, Christian Carr Secretary.

1982-1983 was an important year for the Grand Island High Bands. It marks the end of an era, as the last year that the band will remain one single group in the high school, having outgrown our band room. Next year's band will be divided between two groups, meeting different periods. This year also marked the first year that the band has presented an assembly concert for the student body — a great success. We sold more oranges and grapefruit than ever before in raising funds for our spring trip. We were hosts to two separate festivals here this year — the Jr. High All-Erie-County Solo Festival and the New York State Music Association's Major Organization Festival. Though small in numbers this year's senior band members will be greatly missed.

The Choir of 82-83 was the finest ever. They participated in the annual Halloween Concert, to the cheers of a delighted audience. In December, the choir presented Antonio Vivaldi's "Gloria." One of the most difficult works in choral literature, the choir came thru in fine style. A Spring Concert and contest round out the year.

This year G.I. High added another aspect to its academic life. The Nordica became the school newspaper which covered such activities as Homecoming, teacher and student spotlights, trivia, sports, editorials, musicals, and much more.

Under the never ending guidance of Mr. William Maggio, The Nordica Staff published five newspapers this year.

When I was appointed Editor-in-Chief, I was very honored, and realized it would be an enormous responsibility. However, as the year progressed I discovered that there existed a great deal of help within the two newspaper classes. The assignments were given to the classes. They were then brought down to Mr. Orlowski who had Joann Young and Patti Klein work miracles to get the articles out of the computers. My thanks to Mr. Orlowski and Mrs. Fera, Joann and Patti for all the hours spent typing up the articles.

The artists took over and gave the Nordica an added touch. Thanks to Jena Chamberlain, Aimee Jircitano and Norm Sham who brought a little bit of laughter to everyone. Our critics, Don Perry and Jodi Schorb gave us all a new outlook of the current record albums.

My special thanks go to Ann Marie Mahiques and Elizabeth Wynne for their endless hours spent working on layouts. But most of all for their "punchy" sense of humor that helped me to have everything completed by the deadlines.

To everyone who participated on the Nordica staff, I thank you for your time and efforts. I hope our original purpose of informing people has been achieved and will be carried on through the years to come.

Maj — You always gave us your all, and I hope you know we have given it ours. You made the Nordica what it was and I thank you for that.

Sincerely,

Anne Drexelius

VENTURE

As the 1982-83 school year draws to a close, so completes another edition of *Venture*. This book is the result of eight months of long hours and hard work.

On behalf of my Co-Editor Ann Marie Mahiques and myself, we would like to thank all of the students who participated on this year's *Venture* staff. Without you, the hopes, plans, and dreams for this book would never have become a reality. We wish to extend a round of applause to all of you — as this year's staff marks the largest in G.I. history. There was a total of three yearbook classes that worked on layouts, cropping and identifying pictures, advertising, book sales, and typing.

We would like to extend a sincere thank you to Mr. Bill Maggio, the driving force behind our staff. For without his guidance, support, time, enthusiasm, and encouragement, we never would have met our final deadline! (Maj, I personally wish to thank you for giving me the opportunity to work by your side this year. I learned a great deal from you and I will never forget "hibernating" for hours at a time in your office! I guess there really is life outside room 124?!)

We also wish to thank Carrie Adermann for reaching the goal as top saleswoman. She sold the most ads out of the entire staff.

Enthusiasm — this seems to be the key to a successful yearbook and it is people like Anne Drexelius, Maria Santa Lucia, Ken MacDonald, Michelle Mangin, and Linda Kippely who showed this mark of enthusiasm throughout the year. These "fellow-classmates" were always ready and willing to do more than the minimum work load. Linda Kippely, Michelle Mangin, & Anne Drexelius — thanks a bunch for spending extra out-of-school time typing up dozens of senior data sheets! Ken MacDonald — we thank you for spending endless hours in the darkroom, and for handling the job as Photography Editor — your contributions are greatly appreciated.

Jim Stevens, we owe you more than just a simple thank you for carrying through to completion the role of Business Manager. It was a relief to know that the business portion of the yearbook production had been taken care of.

We also appreciate the contributions made by Karen Price and Marc Russell. Karen, thanks for alphabetizing, packaging, and la-

beling all of the underclassmen photos. And Marc, we do not believe that there is one individual in the school that did not purchase a yearbook. You sure did an excellent job in sales, and had to be the top salesman by far! Ann Marie and I sincerely appreciate your enthusiasm and energy this year.

Since the staff is so large this year, it is difficult to recognize each individual who participated in the production. We wish to thank you too! — For it is the quality of the staff which reflects the quality of the finished product. Personally we feel that we have created one terrific yearbook! One that you, as staff members should be proud of too!

Last but definitely not least, I wish to thank Ann Marie Mahiques for sharing the responsibility of yearbook editor with me. Ann Marie helped alleviate the pressures and strains I felt as deadline dates grew closer and her opinions were greatly appreciated when making important decisions. Ann, you are not only my Co-Editor, but a dear friend to me as well. Thanks for making *Venture '83* what it is today!

We would like to summarize the added features that this book has to offer. Some of its unique qualities include the senior baby pictures, individual class divider pages rather than one "underclassman" page, two pages for class officers from '86-'83, and two pages for our foreign exchange teacher and students. Another added feature will be the upcoming Spring Supplement which will contain all spring sports, the spring musical, the variety show, jr. and sr. proms, and graduation.

We hope that you are as equally impressed with this yearbook as we are. We also hope that it will remain a major part of your high school memories.

Staff — thanks again for a terrific year!!! It has been a pleasure working with you. Best of luck with next year's edition of *Venture*. Unfortunately you will never top this edition of *Venture*, because it is proud to be recognized by the class of 1983!

The Chess Club meets daily during the year. The club members compete between themselves after school in regular game and especially in chess doubles. Participation is opened to all students.

Library/IMC Club members volunteer their time to help the library media center run smoothly and to learn about library media center procedures. They check books into and out of the library, deliver equipment and materials to the classrooms, and keep the shelves orderly. They also help students and teachers locate books and other materials in the library and work on the many clerical procedures associated with a library media center.

Nice work eh? Yes, we built this life-size carousel horse from chicken wire and newspaper — and dreams.

So we had a lot of good times in room 163 this year. We plan to go horseback riding and visiting art galleries. Come on down to the art room and join us sometime!

The Mathletes is a team of students who are highly motivated in the field of mathematics. The majority of the matches are three leagues: Atlantic-Pacific League, New York Math League, and Niagara Frontier League. They also are involved in meets which could advance students to the National Meet at Penn State University.

Society has certain expectations of its citizens and tries to guide them along channels of acceptable behavior. Such is also the case in any school in the country. Here at Grand Island, we judge our students against standards designed to accommodate a wide range of students. Occasionally, individuals step forth and demonstrate a standard of excellence and commitment which far exceed the expected norm. This is also true in any school in the country.

To give recognition to those who do excel, the National Association of Secondary School Principals created National Honor Society in 1920. Over the years, many students who exhibited outstanding scholarship and were, at the same time, willing to accept the burdens of leadership and service, have been honored for their considerable achievements and commended for their uniqueness as persons. On the other hand, they also have been challenged by this honor to continue to strive for ever higher standards of excellence.

The seniors identified on this page have individually and collectively contributed to improving the quality of life at Grand Island High School. Chosen both on the basis of their past performances and for their future potential, they have consistently demonstrated their dedication to the ideal of becoming all they are capable of being.

Their curiosity about a wide range of topics has enabled a select group of students to accumulate diverse bits of information which prove useful in the academic competition known as "It's Academic." Coupled with an eagerness to compete against others and a willingness to take risks and accept challenges, they have endeavored to demonstrate their intelligence and test the outer limits of their abilities. In the process, they have creditably represented Grand Island High School.

This year Captain Dave Choi and team members Amy Gebrian and Marie Garten edged out Dunkirk and Nardin in an incredibly close and hard fought game. When the final bell sounded, Grand Island and Dunkirk were tied, and one question in a "sudden death" situation determined the outcome.

We Won!

The G.I.H.S. Student Council started the year with a number of new members — all ready to go and do the job! We began with a Homecoming that would probably be hard to beat in future years and certainly the best one we have seen so far. With the theme of "The Wonderful World of Disney" the weekend was fabulous from the exciting football victory to the fantastic floats to the Homecoming Dance — what a time we all had!

We also welcomed to our school a new living-permanent fixture — "BAMBI" the spirit tree. Student council sponsored its purchase and planting and hopes to dedicate it in a special Spring Ceremony.

We also instituted a new Christmas stocking sale whose profits will be sent to a special hospice in conjunction with Roswell Park Memorial Institute called the Kevin House.

We look forward to the upcoming Carnation Sale — a tradition at G.I. that symbolizes the friendliness our students display. The awards assemblies and picnic day at Darien Lake and Graduation will close our year.

Congratulations to Sue Eberl, president for an outstanding job along with her officers Nancy DeBole, V-P; Beth Schwannebeck, Sec.; John DeBole, Treas. Thanks for the great memories!

Love —
Mr. Hoolihan

GAYLORD: Spotlighters had the best year ever! We started out with our fall play, *Exit the Body*.

MOOSE: Which way did it go?

GAYLORD: It all started when Lillian (Amy Carey) had Lyle (Don Perry) hide in the closet as a joke. Crane (Aprille Cooke), being the scare-easy type, fainted. It seems there were some missing diamonds, and everyone seemed to be out after them. The boss, Helen (Sue Eberl) and another hoodlum Randolph (Rossano Galante) were eventually apprehended by the combined forces of the local sheriff, Vernon Cookley (Jack McCaffery), and an insurance investigator, Phil Smith (Chris Watz). In the mist of the confusion, Kate (Cathy Zoltoski) and Crane's husband, Richard (Phil Buchanan) added a touch of humor to the show.

MOOSE: But, you never said which way it went?
 GAYLORD: Who?
 MOOSE: The body!
 GAYLORD: Oh, never mind! Our spring musical was Hello, Dolly!
 MOOSE: Huh?
 GAYLORD: Hello, Dolly!
 MOOSE: My name is Moose, not Dolly!
 GAYLORD: Forget it! Anyway, the show was terrific! The cast included: Amy Carey as Dolly, Doug Gress as Horace, Scott Thompson as Cornelius, Aprille Cooke as Irene, Caroline Jones as Ermengarde, Jack McCaffery as Ambrose, Andy Bates and Rudy, and Sue Eberl as Ernestina Money! I'll always remember our last curtain call!
 MOOSE: Oh! What did you call the curtain?
 GAYLORD: Stuffa sweatsock in it, Moose! Our Spot-lighter officers really worked hard! Aprille Cooke was President, Sue Eberl was Vice-President, Doug Gress was Treasurer, Cathy Zoltoski was Secretary, Caroline Jones was Historian, Miss M. Miller (Maggie) was our illustrious Advisor and Director, and Jerry Mathers was "The Beaver."

JUNIOR SENIOR FOOTBALL "1983"

"83" WINS AGAIN! by: Annie Drexelius

The Annual Junior-Senior Girls' Football game was played on Friday, October 22, 1982 during seventh and eighth periods, under a blanket of grey and gloom.

The "83" Seniors, last years winners, had 52 girls play in the game. The offense was led by quarterbacks Linda Kippley and Debbie Molnar, while the Juniors who had 110 girls, were led by quarterbacks Lesha Dworak, Melanie Berton, and Chris Macaluso.

The girls of "84" punted on a fourth down situation and Sue Kennell returned the ball 32 yards for a senior touchdown. With 9:57 left to play in the game, Kim Foley intercepted Melanie Berton's pass and ran it 40 yards for another 6 points. Michel Mangin kicked the extra point, making the score 13-0. The "83" defense held the Juniors scoreless the rest of the game.

Coach Jewett was impressed by his senior girls who began the day, dressed up and acting very lady-like. He was also pleased with the outstanding team work and well executed plays, which resulted in two straight shut-out victories. Most of all, he hoped that everyone who participated in the game enjoyed themselves.

Don't Be Afraid To Fail

You've failed
many times,
although you may not

You fell down

Did you hit the

you swung a bat?
Heavy hitters,
the ones who hit the
most home runs,
also strike
out a lot.

March No. 1
(Land of Hope and Glory)

1st and 2nd Flutes

EDWARD ELGAR
Arranged by Clare Grundman

Molto maestoso

The musical score is for the 1st and 2nd Flutes. It begins with a tempo marking of 'Molto maestoso'. The score includes various musical notations such as 'div.' (divisi), 'f' (forte), 'mf' (mezzo-forte), and 'ff' (fortissimo). There are also dynamic markings like 'tr' (trill) and 'unis.' (unison). The score is divided into measures, with measure numbers 13, 60, 68, 76, and 1. indicated. A large, thick black oval is superimposed over the center of the page, containing the following text:
